Our expectation is that all campers, regardless of age, will be picked up by a parent. If a child is leaving with someone other than a parent, we require a written note for that day. If a child is leaving to walk or ride their bike home, we also require a written note giving permission for the child to leave by him/herself. (see below)

I give permission for my child to leave on his/her own.

If there are other individuals NOT listed above who have permission to pick up your child, please name them here:
