Dear parents of the grade 2's

I just wanted to be in touch with you about First Communion and to stay connected to you and assure you that this sacrament will take place. The First Communion dates that you have chosen will have to be changed. Because of all that is going on, I am not, at this point, able to give you firm dates, but will as soon as we know. The best that I can tell you is that first communion is postponed.

Please continue to work with your children on how to receive. Since we are all isolating, one thing that you could do is use the material from the Huron Perth Catholic School Board. The list of resources was inserted into the books that you purchased. These are materials that go along with the curriculum taught in our schools.

We need to follow very carefully, the guide lines that the health care professionals and government leaders have laid out for us. In this way, we will be doing our part in bringing this virus under control.

In the mean time, be patient, be kind, be isolated, be socially distanced. Be assured of our continued prayers and support. Let us all pray that all of this ends soon.

In Christ,

Father Dick Bester
